

Dear Parents,

This year several interesting and educational trips have been planned to enhance the fifth grade units of study. Rather than distributing a permission slip prior to each field trip, we will be collecting one permission slip that will cover all of the trips.

Scheduled field trips for the year include:

Friday, Oct. 26: Holden Arboretum-Energy Transfer

The students will learn the science of how energy is transferred within an ecosystem. The students will explore the concepts of food chains, food webs, photosynthesis, abiotic/biotic and limiting factors.

Students will need a bag lunch and drink. Dress for the weather.

8:30am.-1:15pm.

Cost: \$8.00

Thursday, Feb. 14: Roller Skating-Chagrin Valley Roller Rink

The students will be participating in a field trip to the roller rink to celebrate Valentine's Day.

Students will need a packed lunch and drink. We will be eating in the classroom upon our return.

10:00am-12:00pm

Cost: \$4.00- If you have your own skates the rink must approve them before skating

Friday, May 10: Cleveland Museum of Natural History - Growing Up and Liking It Assembly

The students will learn the science inside the changing adolescent body and find out what to expect on the road to adulthood.

A member of the Natural History Museum will instruct the students about their changing bodies.

@ CFIS

Cost \$3.50
