

**Start saving your Box Tops for Education now to support our schools! Last year over \$4,000.00 was collected!! This year we hope to earn even more to support “One Book, One School” and other programs. Collections will be held in October and February.**

**For those Gurney and CFIS Empty Nesters, PTO will have collection boxes in the Middle School, High School and the Chagrin Falls Library! So keep cutting out those labels, because every label counts. More information to follow, but please feel free to contact me with questions!**
