

CHAGRIN FALLS MUSIC LOVERS

DID YOU KNOW THAT CHAGRIN FALLS MUSIC LOVERS...

- Funds over 65% of our schools' music and performing arts programs. (exclusive of salaries)
- Will invest over \$45,000 in these music and theater programs during the 2016-2017 school year.
- Contributed funds for professional development for teachers, clinics and master classes for students, accompanists for concerts, online music theory curriculum, HS Spring Musical, Gurney Holiday Show and One School One Book, IS Select Choir, and new band and orchestra instruments, including electronic violin & cello and new Marching Band percussion instruments.
- Awards up to 5 scholarships to graduating seniors every year.

HERE'S WHY:

- Music enhances working memory, fine motor skills and math skills.
- Students who take music classes in high school increase their average SAT scores.
- We are incredibly fortunate to live in a district where administrators and teachers support and promote the arts.
- Chagrin graduates have gone on to study at prestigious conservatories and universities and enjoy successful careers in the arts and entertainment industries.
- We believe that EVERY student gains confidence, tenacity and valuable social skills through involvement in the arts.
