Dear Chagrin Falls High School Family,

Let me begin by thanking you for a wonderful start to the school year! As we navigate new challenges and unprecedented times, your patience and understanding is sincerely appreciated! The creativity, resourcefulness, and resiliency of the CFHS faculty and staff has been nothing short of inspiring, and I am excited for your student to have the opportunity to learn with our excellent educators!

The purpose of this letter is to provide further information about Tiger Period, explain our Friday schedule, and articulate how holidays and shortened weeks impact our weekly schedules. Listed below are the dates of Friday A and B schedules, as well as our Monday through Thursday Hybrid schedule. You may have noticed from the Opening of School letter sent on August 19th that only four days were listed as virtual days in the first quarter - 9/4, 9/18, 9/25, and 10/16. In an effort to create as much face time with students as possible, during a holiday week we will shift our schedule to eliminate the virtual Friday and shift calendar days so students have the opportunity to be in the building. **Our first adjusted week will happen next week due to Labor Day.** The schedule for next week will be as follows:

	Monday 9/7	Tuesday 9/8	Wednesday 9/9	Thursday 9/10	Friday 9/11

An adjusted schedule will happen during every four-day week. **We've created a daily calendar that details our schedules for the rest of the year. It can be found [HERE](#).** Information that was previously shared regarding the bell schedule and open campus can be found below.

**Open Campus**

The High School will operate as an open campus during the 2020-21 school year. This means that students are only expected to be on campus when they have in person instruction. Students may come and go as their schedules permit. Students who cannot leave campus during open periods (due to transportation conflicts) will need to obtain permission from the administration as they will be given an assigned work space.

**Tiger Period**

Tiger Period was created as an opportunity for students to have access to personalized learning, time for intervention, and access to their teachers. It also allows students to explore interests without additional pressure of grades and tests. On days in which programming is not scheduled, students should use this time to study or to seek support from their teachers. **Teachers may require students to report to Tiger Period.** Students will have the opportunity to work with teachers in specific content areas and receive individual or small group support. **Students must schedule time to meet with the teacher in advance.** If a student does not need to schedule time with a teacher, the student does not need to report to the building. Any student who needs to remain in the building during this time due to transportation may report to the CFHS Commons.

Throughout the year, there will be programming for students during this time. All of the information will be provided to students and parents in advance.

Below is a draft list of what you might expect to see during this time.

- Review of Infinite Campus/Google Classroom for students
- Executive Functioning skills
- Class Meetings and Presentations
- Freshman Follow-ups with Link Leaders
- ACT/SAT/PSAT prep
- College Essay Writing Seminars
- SEL Programming
- Club/Activity Meetings
- SAY Meetings (Tania Gordon)
