

SCHEDULED COLLEGE VISITS

Chagrin Falls High School will be hosting representatives from Universities and Colleges on our campus throughout the fall semester. These representatives will be available to meet with students in a small group setting regarding that school's general information, the application process, programs of study, etc...

Visits will be announced regularly on the PA system. Students must sign up in the Counseling office and obtain a pass and permission from their classroom teacher in order to attend. Additional College Visits may be scheduled as the school year progresses.

Please contact your school counselor if you have questions!
