

SUPPORT THE FUTURE OF CHAGRIN FALLS SCHOOLS TODAY!

There are few places like Chagrin Falls. This is a special community with very special schools. We place a unique emphasis on excellence in education and exceptional enrichment opportunities for our students.

The ***Chagrin Falls Educational Foundation (CFEF)*** exists to support innovative arts and academic initiatives within the schools. These extra efforts help to ensure excellence in the classroom so that the school district continues to be rated among the top districts in the country. ***CFEF*** accomplishes this by considering donations of any amount, by building for the future through careful investment of a growing endowment, and by qualifying as a tax-exempt charitable corporation.

What do we do?

We have provided funding for many programs at every building in the district, such as:

- Our Most Exciting Initiative - The Innovation Center and Programming
- Bridges to the World program for international study,
- Teacher development programs and training such as Responsive Classroom.
- Innovative SmartKidsMove program district wide for fitness and wellness education.
- Computers district wide, and the creation of the Mobile Distance Learning Lab.
- Academic Challenge supplies, novels, and much, much more!
- And our proudest creation -- the CFEF Student Philanthropic Board with a mission to educate high school students on philanthropy through first-hand experiences in the community!

Make a tax-deductible contribution in the attached envelope to ***CFEF*** today so that we may continue to make the Foundation's work possible. *Make a gift today to help us realize the dream of providing the best education possible for our students!*
