

# Support Chagrin Schools!

## Just by Shopping for Groceries

**Who:** Everyone in the district as well as any family members or friends who shop at Heinen's or Giant Eagle.

**What:** Register your reward cards at local grocery stores and help earn up to 1% of your total shopping bill for Chagrin Schools.

**Where:** Heinen's and Giant Eagle--Remember to use your reward cards every time you shop!

**When:** Register now!! But if you find this flyer as you are cleaning your house in November, you can still register and all of your purchases as of September 1, 2018 will be included in your total!

**How:** For Heinen's Teaming Up for Education program, sign into your Tasteful Rewards profile at [heinensrewards.com](http://heinensrewards.com). Under My Profile on the left, select My School, fill in the information on the right (it does not matter which Chagrin Falls school you choose-it is all added together at the end). If you need further assistance, please call the Heinen's help line at (855) 475-2300 x 2337 or visit customer service. This just takes a minute, but Heinen's requires that you re-register each year.

For Giant Eagle Apples for the Students program, if you have already registered your Advantage Card and linked it to Chagrin Falls Schools, you are done! If you have not linked your card (or are not sure) go to [schools.gianteagle.com](http://schools.gianteagle.com), and register your card in the lower left box (or sign in at the top). If it doesn't already say "My School Programs-Chagrin Falls Schools" then add Chagrin Falls Schools to your schools. For questions or to get a Giant Eagle Advantage Card by phone, call (800) 553-2324.

**Why:** PTO raises about \$10,000 annually for teacher grants, educational equipment, school programs, and much more just from families grocery shopping!

THANK YOU!!!
