

Increased clarity for reporting student incidents -

We are thankful to the district's Diversity, Equity, and Inclusion committee for their suggestion to improve our [Student Incident Reporting Form](#) to increase clarity and communication between home and school. Of course we hope never to need this resource, but if we do, please know that parents, students, and staff may use this link to report any number of student incidents directly to the principal. Teachers and administrators always welcome your calls and emails, too. You will find the link added to each building's webpage.
