

PAM and SAM Password Help

Parent Passwords will be distributed at building Open Houses provided you have photo ID.

Student Passwords for Intermediate School and Middle School will be distributed in early September by the building counselors.

Parents-If you forget your PAM password please use the email link on the District webpage for assistance. You must include your work or cell phone number on file to verify the password reset. If the number provided does not match what is on file we will contact you.

Students-If you forget your SAM password, please see your counselor.
