All guests will be subjected to a passive, non-invasive breath analysis prior to entering the event. Chagrin Falls High School Administration has authorization to administer the use of a breath-test instrument for the purpose of determining if a student has consumed an alcoholic beverage. It is not necessary for the test to determine blood-alcohol level. Refusal to submit to the use of the testing instrument or a positive test will result in denial of admittance to the dance and police referral. Containers, bottles or backpacks will not be permitted into the dance, and the contents of purses may be checked.
