CHAGRIN FALLS EXEMPTED VILLAGE SCHOOLS

Monica J. Asher, Principal • Amanda G. Rassi, Assistant Principal

For the 2021-2022 school year, students in the Junior and Senior classes, who are licensed drivers, are eligible to apply for a parking permit. Applying for a parking pass does not guarantee you will be able to purchase a permit but rather the form is a tool to collect information. Students can register online beginning ***Monday August 9th, 2021.***

Students who have not yet obtained their license may not purchase or apply for a permit until they have their license. Permits WILL NOT be held or reserved for any students.

To apply for a 2021-2022 CFHS parking permit, students should go to the [Chagrin Falls High School webpage](#) and look for the Driving Information link on the left side of the page. Click on “Student Parking Pass Registration” and complete the form.

- You **must** register online prior to coming in to purchase your permit.
- Parking permits may be purchased in the Commons on Paperwork and Picture Day scheduled on Thursday August 12th.
- All **fees and fines must be paid** before purchasing a parking permit.
- All **Forms must be completed** on Final Forms before purchasing a parking permit.
- You will need to bring your driver’s license and **\$30** Cash or Check (made out to Chagrin Falls High School).

Please reference the [campus map](#) for updated traffic patterns and student parking lots.

Please remember that parking on campus is a privilege, not a right. The student responsibilities related to parking at CFHS can be found in the student handbook.
