

CHAGRIN FALLS

EXEMPTED VILLAGE SCHOOLS

Charlie Barch, CAA, District Athletic Director

2021 Fall Ticketing and Spectator Policy

These policies could change, and updates will be made available if they do. Understand that we are working together to keep our student-athletes, coaches, officials, and spectators safe. This fall we will not have any restrictions on the number of tickets sold per event. But understand this could change, and everyone will be notified if there is a change.

Ticket Spicket

Ticket Spicket will be our ticket provider for all home games (except OHSAA tournaments) for the Fall. <https://spicket.events/chagrinfalls> is the link for all events. Tickets are \$7 (plus service fee) and MUST be purchased online. We suggest you purchase tickets before you arrive.

Spectators arriving at the game without a ticket will have the ability to purchase a ticket with a credit or debit card linked to their phone by scanning a QR code. Again, there will be no cash sales at the gate.

Tickets are required for all home varsity football games, JV/Var Soccer, and JV/Var Volleyball. Tickets can be printed or presented on your smartphone.

If you claim or purchase a ticket it is only good for that game (except JV/Var game would be good for both). If you purchase a ticket and do not attend you cannot use it for another event.

Booster Club Passes

All booster club passes will be issued through Ticket Spicket. You must go online and claim your ticket to each event you plan on attending, and show your ticket at the gate.

Away Games

As soon as we get ticket information for away contests we will email them out to each sport. We do not control the regulations and ticket policy for an away contest, but we expect everyone to follow the host schools policies.

Home Game Streaming

Every athletic event will be streamed at Harris Stadium and the HS Gym. You can purchase a pass to view the games at www.nfhsnetwork.com

Face Coverings

Face Coverings are not required to attend an event at Chagrin Falls. But events at away events might require face coverings and we will notify everyone as soon as we have that information.
