

CFHS Families,

As a reminder, tomorrow we will host our annual Senior Parent College Night and Meet the Teacher night. Senior Parent College Night will begin at 6:00pm in the PAC and Meet the Teacher Night will begin at CFHS at 7:00pm.

Senior Parent College Night

Please join the CFHS Counseling staff at 6:00 pm in the PAC for an in-person presentation overviewing the college application process and timeline.

Meet the Teacher Night

Chagrin Falls High School will open its doors for Meet the Teacher Night at 7:00pm and you will have the opportunity to tour the building and meet your student's teachers until 8:30pm. There is not a set schedule for the evening, rather, you may visit the building and individual teachers during the set timeframe. You are not required to arrive at 7:00pm, however, the evening will conclude at 8:30pm.

We recognize the importance of making information virtual so that *all* families can access course policies and specifics, therefore, CFHS teachers have created videos that communicate course information. Videos can be accessed [HERE](#).

As a reminder, masks are strongly recommended on the CFHS campus regardless of vaccination status.

We are excited to work with you this year and look forward to meeting you on September 2nd.
